About Lucy's Hearth

For 37 years Lucy's Hearth has sheltered homeless children and their families in Middletown. It is one of only a few shelters in Rhode Island that accepts children. Lucy's Hearth allows families facing homelessness to stay together in a safe and nurturing environment.

The primary goal at Lucy's Hearth is to foster independence and help the residents gain the life skills necessary to prevent future homelessness. Beyond a safe place to stay together, Lucy's offers comprehensive programs and services to help families overcome barriers to self-sufficiency. Lucy's has a truly remarkable record of helping 90% of the homeless families it serves to achieve permanent, affordable housing.

During the pandemic, Lucy's Hearth never wavered in its commitment to children and families. For residents of Lucy's Hearth, the isolation, fear, loss and despair experienced by all of us in 2020 were amplified by the losses they had already weathered. Keenly aware of this, shelter staff worked tirelessly to maintain a semblance of normalcy despite COVID-19 restrictions.

About the Event

Fall for Lucy's Hearth is our signature fundraising event. It brings together corporate, government, and philanthropic leaders to address one of our state's most pressing issues, the creation of more sustainable housing opportunities for families in Rhode Island.

Your support for Lucy's Hearth is more important in 2021 than ever. With federal and state eviction moratoriums due to end, the number of families seeking emergency shelter is expected to skyrocket. Homelessness, especially among children and their families, is becoming a greater concern across Rhode Island, particularly in Newport County, where housing affordability is at an all-time low.

Like last year, this year's event will be presented in a virtual format due to uncertainties caused by the ongoing pandemic. Join us on November 10th at 5:30 pm @ www.lucyshearth.org as we raise critical funds for the organization. Our virtual program will feature videos as well as live content to engage with all in attendance. We may not be able to gather in person, but let's come together online to support families in their moment of need.
